

Name of the Cell/Department: The Responsible Invertian Club

Academic year: 2020-21

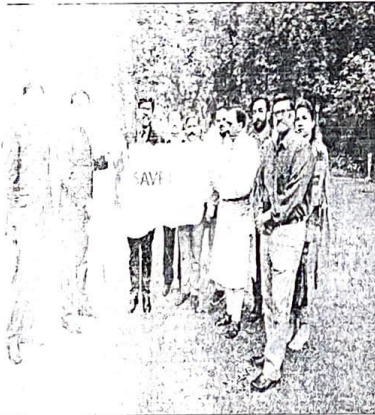

Name of Event: Stop the Drop Campaign

Date: 22nd March 2021

Venue: Invertis University, Bareilly

**Description:**

The Responsible Invertian club organized a 'Save the Drop Campaign' on World Water Day, March 22, 2021, within the university campus. The primary goal of the initiative was to conserve water resources and promote responsible water usage among students and employees. The program advocated for mindful water consumption, efficient usage, and the adoption of water-saving practices across the campus. This involved awareness campaigns, clean-up events, and other programs facilitated by students to actively engage the campus community in promoting water conservation. The university remains committed to its efforts in water conservation, exploring sustainable water management strategies involving students and the community in responsible water use.
