

Press Release

Name of Event: Global Warming Awareness Campaign
Date: 06-Feb-2021

Press Release

"Go Green"

The campaign saw active participation from diverse groups, including students, faculty and local community. This campaign demonstrated the positive impact of collective efforts in tree planting, reducing plastic activities and the overwhelming response to educational sessions.

In line with its commitment to wards protecting the environment, Invertis University, Bareilly on February 06, 2021, conducted a 'Global Warming Awareness Campaign' on FEBRUARY 06, 2021, which witnessed participation of more than 2,500 members including students, teachers and parents. The event was organised to highlight the many initiatives that the university has undertaken -use of solar powered and LED lights, segregation of waste, TREE PLANTING, and abandoning use of printed materials-to reduce its carbon footprint.
