

Press Release

Name of Event: Save the Earth, Save the Planet.
Date: 22-April-2021

Press Release

"Save the Earth, Save the Planet."

The campaign saw active participation from diverse groups, including students, faculty and local community. This campaign demonstrated the positive impact of collective efforts in tree planting activities and the overwhelming response to educational sessions.

Faculty and students are collaborating to find practical solutions to reduce wastage of water inside or outside the campus. The campaign fostered a heightened awareness of environmental issues, inspiring a collective commitment to sustainable living.
