

## Annual Report for Campus Environment Promotional Activities

Academic year: 2018-19

### 1. Name of Event: Clean Campus Campaign

**Date:** 20 August 2018- 25 August 2018

The Responsible Invertian club organized a five day campaign on Cleanliness of campus from 20<sup>th</sup> August 2018 to 25<sup>th</sup> August 2018 in order to create an awareness about clean and green campus. Faculty members and students actively participated in the campaign by displaying posters with slogans of the same. They were also informed to make the campus & classrooms a beautiful place for one and it makes individuals healthier when the environment around them is healthy. Clean Campus promotes Hygiene, It improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment sets a good example to students.

### 2. Name of Event: Tree Plantation Drive

**Date:** 5 June 2018

The Responsible Invertian club organized a 'Tree Plantation Drive' on Environment Day i.e. 5<sup>th</sup> June 2018 in campus for the students and employees of University. The objective of the event was to raise awareness about the importance of green environment in current living scenario. Due to increase in pollution the global warming in turn is affecting the environment to massive level. In order to bring about a significant change we need to motivate every individual to make this a part of their life. Without trees life is not possible, therefore the club has taken this initiative to motivate faculty and students to participate in this event.

### 3. Name of Event: World Earth Day

**Date:** 22 April 2018

World Earth Day is an annual celebration that occurs worldwide and honours the achievements of the environmental movement by raising awareness on the need to protect Earth's natural resources for future generations. On the occasion, an event was organised at Invertis University wherein students were told about the importance of the day and a unique street play competition on "Environment for today and future generations" was conducted. A

number of teams from various departments of the university registered themselves for the competition and presented their plays on topics such as global warming, cleanliness, save Earth, etc. Students presented stunning performances and raised numerous important issues which made the audience realise the importance of their planet and the need to value it. Students urged everyone to plant more trees and make small changes in their daily life such as switching off gadgets not in use, conserving water, etc.

**4. Name of Event: World Water Day**

**Date: 22 March 2018**

The idea of International Water Day started in 1992, to raise public awareness about one of the essential elements of our ecosystem i.e. water and its benefits. Every year World Water Day is celebrated to take concrete action in terms of preservation and conservation of water resources. The celebration aims to create awareness of water and its resources, which are crucial for the survival of living beings on earth. The theme of the year was 'NATURE FOR WATER'. Nukkad natak, guest lecture and other competition was organized for the students to create awareness. The main objective of this day is to make students aware of the Significance of World Water Day so that students can understand the importance of water conservation in their day to day life.

**Annual Report for Campus Environment Promotional Activities**

**Academic year: 2019-20**

**1. Name of Event: Clean Campus Drive**

**Date:** 16<sup>th</sup> of August 2019

The Responsible Invertian club has taken an important step towards creating a cleaner and pristine campus by organizing a Clean Campus Drive in the University Campus on the 16<sup>th</sup> of August. It aimed to promote environmental awareness, foster a sense of responsibility, and contribute to a cleaner and greener campus. The initiative sought to engage students, faculty, and staff in a collective effort to enhance the overall cleanliness of the campus while instilling a sense of environmental stewardship.

The activities included cleaning the campus area, picking up litter and pledging to maintain an eco-friendly campus. The students and faculty members displayed enthusiasm by actively participating in the drive.

**2. Name of Event: Drop by Drop: A Nukkad Natak on Water Conservation**

**Date:** 08/06/2019

**Description:** The campus came alive with vibrant energy as students, faculty, and staff gathered to witness an impactful Nukkad Natak (street play) on water conservation.

The Nukkad Natak unfolded a compelling storyline, depicting the consequences of water wastage and the critical need for conservation. Through a series of relatable characters and situations, the performers highlighted the daily habits that contribute to water scarcity and the collective responsibility to address this issue.

The lively and interactive nature of the street play captivated the audience, leading to a positive and enthusiastic response. Spectators were not only entertained but also left with a heightened awareness of the importance of water conservation.

**3. Name of the Event: Reclaimed Threads: Where Creativity meets Sustainability**

**Date:** 03<sup>rd</sup> April 2019

The Department of Fashion Design organized an exhibition **Reclaimed Threads: Where Creativity meets Sustainability** on the 3<sup>rd</sup> of April. With a focus on up cycling, repurposing, and eco-friendly practices, Reclaimed Threads aims to bring change in the way fashion is viewed by people all around by showcasing the limitless possibilities of sustainable fashion. The students made items of home decor, clothing and fashion accessories using old and used material. The exhibition was a show against fast fashion and its poor effects on the environment.

**4. Name of Event: Tree Plantation Drive**

**Date:** 26 September 2019

The Responsible Invertian club organized a Tree Plantation Drive in the university campus on the 26<sup>th</sup> of September on the occasion of World Health Environment Day.

Objectives of the Drive:

Environmental Celebration: The drive aimed to celebrate and express gratitude to Mother Nature, emphasizing the importance of maintaining a healthy and green environment.

Active Participation: Encouraging active involvement from both students and faculty members to instill a sense of responsibility and collective commitment to environmental well-being.

Green Campus Commitment: Planting several tree saplings as a symbol of commitment to a greener and more eco-friendly campus.

Looking ahead, the Responsible Invertian Club plans to organize regular awareness campaigns, workshops, and follow-up activities to ensure the continued growth and well-being of the planted trees.

The Tree Plantation Drive received overwhelming support, creating a positive impact on the campus environment. The lush greenery added by the new saplings not only enhances the campus aesthetics but also contributes to air purification and biodiversity.
