## AN OVERVIEW

Invertis University is situated in Bareilly on NH-24, equidistant from the country's capital Delhi and state's capital Lucknow. From a humble beginning in 1998, Invertis has come a long way. From 83 students and one Institute - Invertis Institute of Management Studies, today we stand tall as a full-fledged University with 9 different institutes under its name. We offer a range of Doctoral, Post Graduate & Under Graduate programmes in Management, Computer Applications, Engineering, Architecture, Law, Pharmacy, Journalism & Mass Communication, Fashion Design and Applied Sciences & Humanities.

At Invertis, we believe that the success of a teacher comes along with the achievements of a student. To ensure that our students succeed, we make sure that they get the very best, that's why our faculty comes from premier institutes like IIT's, IIM's & NIT's. Invertis pioneered the concept of holistic development, an approach of more than just text book studying and an all -round approach of learning. It stems from the old management concept of, "Keep your feet warm, back straight and head cool." Our faculty members foster knowledge and acknowledge students who do well not only in classes, but also in the outside world. The backbone of the university is it's alumni alliance, who provide pathways for students even after their studies are completed.

# IMAGINE

At Invertis imagination is not  
less important than knowledge

# INNOVATE

At Invertis we know that innovation  
is what distinguishes a leader  
from a follower.

# CHALLENGE

At Invertis we show you how  
challenges bring out best in people.

# FROM CHANCELLOR'S DESK

Invertis University has become North India's leading university, known for its innovative teaching pedagogy, extensive research and service to the society.

Liberal and Exoteric education of our University gives way to in-depth study and research that makes a student a productive member of a civilized society. The high standard of knowledge gained here helps to develop disciplined life and provide better earning opportunities.

The University has an inviting ambience for academically committed and passionately creative people. Our students are exposed to professionals from the field, scientist from all over the world, jurists, business magnates and others. Our University has gone from strength to strength over years. The support and encouragement from the industry, the good performance of the students, sincere and dedicated efforts of everyone at Invertis has made it a university of choice. We have a dedicated Corporate Resource Centre Team which provides ample placement opportunities to the students. Companies from wide spread sectors of the economy visit Invertis during placement drive.

We are also in collaboration with many International Universities. This provides an outstanding platform to students to explore their talent and improve their perspective. Our regular recruiters have witnessed the significant steps that we have taken to ensure a highly efficient process that maximizes time management for the candidates and organisations. We remain committed to delivering a system that equally balances the three stakeholders - the students, the recruiters and the institute. We make sure that our students get the best opportunities for placements and transform their dreams into reality.

I wish our students to fly higher and achieve all their dreams by getting placed in topmost industries as we believe in providing them with the best opportunities for their bright and successful future.

# VICE CHANCELLOR'S MESSAGE

Greetings from Invertis University!

Since its founding as a management college in 1998, Invertis has grown to become a quality, value-based university in northern part of the country.

Our Faculty is mostly from Institutes of national importance like IITs, NITS, and IIMs, Including myself, an alumnus of IIT Kanpur. We follow the latest methodology of teaching and learning, i.e., Outcome Based Education System, where by stress is more on learning of student through modern teaching pedagogy.

We have around 5,000 students. We have diversified levels of study starting from diploma to UG then PG and finally Doctorate. Our research programs range across, almost all disciplines of Engineering, Science, and Humanities. We have active student exchange program with foreign institutions. This facilitates our students to study abroad.

We provide the best platform to our students for getting placed in good organizations. We believe that success arises from joint endeavours of our talented students, dedicated faculty and successful alumni . The Corporate Resource Centre provides value addition round the clock, besides rigorous academic sessions through Industrial Visits, Guest Lectures, Seminars, and Conferences. The students get the placements based on their academics, communication skills, presentation skills & performance in the selection process. We also provide extensive Industry Interface and Knowledge Management activities to develop the required skill sets in order to get placed successfully.

We believe in providing the best opportunities to our students and wish them a future full of prosperity and accomplishments.

**Prof. (Dr.) Y.D.S. Arya**

# INTERNATIONAL STUDENT & FACULTY EXCHANGE PROGRAMME

The student and faculty exchange programs would provide participants with the opportunity to study abroad or conduct research for a semester or an academic year at an overseas university. Invertis University has for long been aware of its role in a larger international academic community, and in pursuance of this, the University has been reaching out to fraternal institutions in different parts of the world for collaborative programs, research networks, student exchanges and so on.

Invertis University actively collaborates with a number of foreign universities like Livingstone College, North Carolina USA and University of South Carolina upstate, SC, U.S.A and several other institutions.

Apart from the above mentioned exchange program, we have research collaboration with Alexander von Humboldt Foundation of Germany and Howard University Washington DC.

# INDUSTRY ACADEMIA INTERFACE

One of the most important parameters of success for any academic institution is its ability to offer a corporate interface to its students which enhances their practical knowledge and makes them ready to face the corporate world.

A productive interface between industry and academia, in the present times of knowledge economy, is a critical requirement. Industry- academia interface helps in achieving the mutual goals and aspirations of academic institutes and private industries.

With this in mind, Invertis University hosts an HR Conclave every year in which HR Heads of prominent companies share their views and shower their knowledge on the students.
