Chancellor, Invertis University, Bareilly

### Kautilya International Foundation

**Dr. Nand Kishor Garg**

Chairman, Kautilya International Foundation, New Delhi  
Chancellor, Maharaja Agrasen University, H.P.

## About Webinar Series

The COVID-19 pandemic has caused socio-economic commotions across the globe coercing various nations to redraw their economic policies.

The issues like widespread unemployment, and the collapse of the supply chain have moved many nations like India, Japan, South Korea and others to shift their emphasis from offshoring to reshoring. At a time when the world is suffering from a deadly pandemic, India plans to convert this crisis into an opportunity and strengthen its fight by becoming Aatma Nirbhar or self-reliant.

The term was coined by the Prime Minister of India, Mr Narendra Modi during his address to the nation on May 12, 2020. He called this campaign as Aatma Nirbhar Bharat Abhiyaan (Self-Reliant India Movement). It is an economic stimulus program that aims to cut down import dependence by focussing on substitution while improving the quality and safety standards of make in India products to enter the global value chain. Under this campaign, a special economic package has been released by the government, which will benefit various segments including cottage industry, Micro, Small and Medium Enterprises (MSMEs), labourers, middle class, and industries, among others.

In the Light of Our hon'ble Prime Minister's Vision, we are pleased to offer a series of Webinars On "INDO-CENTRIC RESEARCH AND STUDY FOR SELF-RELIANT INDIA" which will feature emerging trends in *interdisciplinary research* to create a powerful learning experience. The innovative, exciting and intellectual discussion by eminent speakers of all domains will induce a high order to instigate aspirants and the experts of multifaceted discipline to be a unifying force for nation building.
