Introduction

The Anti-Ragging Committee (ARC) is pleased to present its annual report for the academic session 2022-2023. The ARC is committed to ensuring a safe and ragging-free learning environment for all students on campus.

Committee Activities

- **Awareness Campaigns:** Throughout the year, the ARC organized various awareness campaigns to educate students about ragging and its harmful consequences. These campaigns included:
 - Interactive workshops and seminars for both freshers and senior students.
 - Distribution of informative posters and pamphlets across campus.
 - Social media campaigns to spread awareness and encourage open communication.
- **Policy Dissemination:** The ARC ensured the proper dissemination of the institute's anti-ragging policy. This included:
 - Uploading the policy document on the college website for easy access.
 - Distributing printed copies of the policy during orientation programs.
 - Incorporating information about the policy in student handbooks.
- **Helpline Establishment:** A functional helpline was established to provide students with a safe and confidential platform to report any incidents of ragging or seek guidance.

Achievements

We are glad to report that no complaints of ragging were filed by any student during the academic session 2022-2023. This achievement is a testament to the collective efforts of the ARC, faculty members, and the student community. The continuous awareness campaigns and the zero-tolerance policy towards ragging have fostered a more positive and inclusive campus environment.

Conclusion

The ARC remains committed to maintaining a ragging-free campus. We will continue to work diligently to:

- Organize awareness programs to educate students about their rights and responsibilities.
- Enforce anti-ragging policies strictly.
- Provide a supportive and confidential environment for students to report any concerns.
